2N® IP Force – RFID 13.56 MHz, OSDP	9151023	30.06.2025	30.06.2031
2N® IP Force – RFID 13.56 MHz, Seos® Compatible, OSDP	9151023S	30.06.2025	30.06.2031

Reason

We are discontinuing these products intended for IP Force due to legislative regulations. All products will have a successor via different SKU within the launch of IP Force 2.0.

Final Order Date

The Final Date that a Discontinued Product can be purchased from 2N is indicated in the table above.

Please note that an unforeseen increase in demand can cause that the products are out of stock before the final order date.

Support and RMA Policy

2N TELECOMMUNICATIONS will continue to give hardware support and RMA service for 6 years after the discontinuation date.

As long as the product is within the warranty period and it is not warranty void, the warranty terms for RMA still apply.

2N TELECOMMUNICATIONS RMA service will be based on the discontinued product as the primary alternative. When this is not possible, the replacement product will automatically be the alternative stated in the table above.

Product Discontinuation Statement

This document outlines 2N TELECOMMUNICATIONS products that have been discontinued or will be discontinued.

Discontinued Products

Discontinued product		Final order date	Final support date
Name	Order number		
2N® LTE Verso – Main unit with camera, nickel, EU LTE	9155401C-E	30.06.2025	30.06.2031
